Property Description

Fifth and last floor apartment with a roof Apartment area: 81 meters Roof area: 23 meters Master bedroom with a large terrace + bathroom Living + dining room Kitchen + guest bathroom Down payment: 2,928,000 million pounds Total price: 6,150,000 million pounds Maintenance: 430,500 pounds For more details about this unit or other units, or if you want to sell or rent your unit, contact me or WhatsApp me at: wa. meView Contact Detail Features: Luxury residential apartment with direct views of vast green spaces and a direct view of the lagoon, located in a distinguished location within the Hyde Park project, Phase Greens, which is the closest phase to all services such as the club and all commercial services, ensuring tranquility and privacy. The compound is located in the heart of New Cairo directly on South 90th Street, next to the American University, and just minutes from the ring road. The compound features a low building ratio (only 15%), while 85% is allocated for green spaces and landscaping. It contains 2 clubhouses, swimming pools, and recreational areas for children. And a massive integrated commercial area within the compound.
