## Property Description

Townhouse corner for rent in Celesta Hills, Uptown Cairo Land area: 363 meters, building area: 297 meters Ultra super luxury finishing 3 bedrooms Maid room+ laundry 3 bathrooms ACs Full kitchen Store room Required: \$1,200 or 60,000 Egyptian pounds Payment by quarterly checks Uptown Cairo Mokattam Compound gives you a new meaning and concept about life in 2023 for several reasons. When a company aims to develop in any field, with the passage of time, the ceiling of its ambition becomes not only success, but with every new success, ambition rises so that the company has leadership. Being ahead in its field over those who are similar to it and compete with it in the same field and activity. Leadership comes with diligence, innovation, development, and always striving for something new, especially if the field attracts many investments and targets a large segment of the public. Therefore, when a famous company with a great reputation in the field of real estate development, such as Emaar, decided to invest in Egypt, the starting point should have been different. It sends a message about the company's leadership in the field. Location of the Uptown Cairo Mokattam Compound project Uptown Cairo is located in the heart of charming Cairo, with an area of 1,200 acres on the highest plateau in Egypt (Mokattam), 200 meters above sea level. It was built on 20% and the rest of the area is green spaces. The project is far from the most famous neighborhoods of Cairo as follows: 10 minutes from Maadi. 10 minutes from Nasr City and Heliopolis. 15 minutes from engineers. 15 minutes from Cairo Airport.
